

## LOCATION

SAI is located in Lake Nasser in Upper Egypt. SAI sails between Aswan and Abu Simbel or vice versa. There is a choice of either a 3 nights/4 days cruise or a 4 nights/5 days cruise.

## FEATURES

Length: 26 meters  
Breadth: 6.5 meters  
SAI is made from beach pine wood at Lake Nasser Yard. It took about 5 years to achieve all arrangements.  
SAI boat is equipped with 250 HP engine, a generator 17KV, 220 V.  
At night we provide 12 V current.  
A water filtration system is available for shower use but non drinking water.

## CABINS

SAI contains 6 cabins:  
4 cabins on the main deck with an area of around 12 square meters (3 with twin bed and 1 cabin with a large bed).  
2 special cabins on the upper deck with an area of around 14 square meters with large beds and a private sundeck each with an area of around 10 square meters.  
All cabins have a private bathroom equipped with amenities.

## DINING & ENTERTAINMENT

A lounge restaurant and a bar, with an area of around 20 square meters, is available on the main deck to provide oriental, nubian, and international cuisine.  
All our meals are prepared and cooked on board.  
A large sundeck of 35 square meters.

## SIGHTSEEING & ACTIVITIES

SAI sails between Aswan and Abu Simbel in a warm and gracious atmosphere with its unique design. This boat is completely handmade and decorated in a pure Nubian and Egyptian style.  
Different kind of activities can be done during our stop like walks, trekking, discovery of the Nubian temples saved from water by the UNESCO.
