Sailing the River Nile  an exclusive experience.

The Mövenpick SB Feddya is a boutique sailboat sailing the river Nile between Luxor and Aswan with fantastic shore excursions to explore the ancient Egyptian wonders. With only 4 suites onboard, the SB Feddya is the closest experience to having your own private yacht and it's an exclusive and new concept to cruise the river Nile.

Mövenpick SB Feddya redefines the 'dahabeya', the traditional Egyptian sail boat, with a fresh and unique concept. Despite being the smallest dahabeya on the Nile, Mövenpick SB Feddya has vastly more space for guests than a traditional craft. This has been the traditional way of travel since the Pharaohs and now those days have been revived but with modern comfort, five star service and luxurious accommodation.

Location

The Mövenpick SB Feddya enjoys a private dock in Luxor located in Al Bughdadi District only 15 Km south from Luxor airport. Cruise the Nile and enjoy beautiful scenery while exploring the wonders of the ancient world.

Rooms and amenities

The Mövenpick SB Feddya features 4 contemporarily designed suites each with a different color scheme and design as well as a dedicated butler ready to serve you 24 hours. 'Feddya' means 'silver' in Arabic, which is reflected in its distinctive décor of stainless steel and silver. The suites range in size between 22 and 24 sqm and they all feature an 8 sqm balcony or patio with stunning views of the river Nile. Standard features include; individually controlled AC, private bathroom with shower, satellite LCD TV, mini bar, safe box, WIFI, hair dryer and in room coffee and tea making facilities.

Dining and entertainment

The exclusivity and personalized service is highlighted by chefs who will create whichever dishes guests desire. For dining you can enjoy great meals at the indoor dining room or on the sundeck's outdoor dining area. The Sun Deck offers a variety of beverages and snacks while relaxing and enjoying the stunning views of the river Nile. The dining room, lounge, sun decks and Jacuzzi add to the on-board experience of a private world of exclusive refinement.
