Monumental Experiences

Our tailored itineraries will be your gateway to the historical realm of ancient Egypt. Sail through the mesmerizing cities of Luxor and Aswan, and indulge in breathtaking views of the Nile accompanied by historic grandeur.

Embark from Luxor, "the world's largest open-air museum," with its magnificent temples along the East and West banks. Sail from there to Esna and make your way to Gabal Silsila and the humble village of Besaw. Discover the true gems of times of old by visiting Herbab island and drift off till you reach the heart of the South, the glowing and enchanting city of Aswan, to discover the beauty of Philae temple & the mightiness of the High dam.

Customized itineraries can be tailored upon request for our guests' pleasure and comfort.
